5 September 2022

Dear Dame Meg,

Following my letter to you on the 29th July, I am writing to update you on the Birmingham 2022 sports equipment asset dispersal process.

Following further detailed planning we have determined that the Parliamentary timetable allows us to follow standard Parliamentary procedure, with the laying of a Written Ministerial Statement and Departmental Minute to update Parliamentarians on the donation of the assets by Sport England. These will be laid in both Houses on 5th September.

Birmingham 2022 has always held the objective to be a 'Games for Everyone'. Following the great success of the event itself, we believe this is a fantastic opportunity to maximise the impact of that objective by ensuring that assets go to where there is the greatest need and improve community access to opportunities.

A copy of the Written Ministerial Statement and the Departmental Minute are enclosed.

Yours sincerely,
